

## **NOVOTEL LONDON WEST ACHIEVES FIRST RESTAURANT ACCOLADE**

Novotel London West is delighted to announce that their new concept restaurant, Artisan Grill, has been awarded it's first AA Rosette for culinary excellence.

Under the stewardship of Executive Head Chef Roy Thompson, Artisan Grill offers all British, high quality but simply prepared dishes.

Thompson served his apprenticeship at the Dorchester Hotel before moving to France to further his culinary development and in 1997 was appointed President des Fetes of the Association Cullinaire Francaise.

Commenting on the accolade Thomson said, "The kitchen brigade and front of house team are thrilled with this recognition and we're all very hopeful that this first Rosette becomes a waypoint for further, greater success."
