**VALID** as at **18/10/2020**

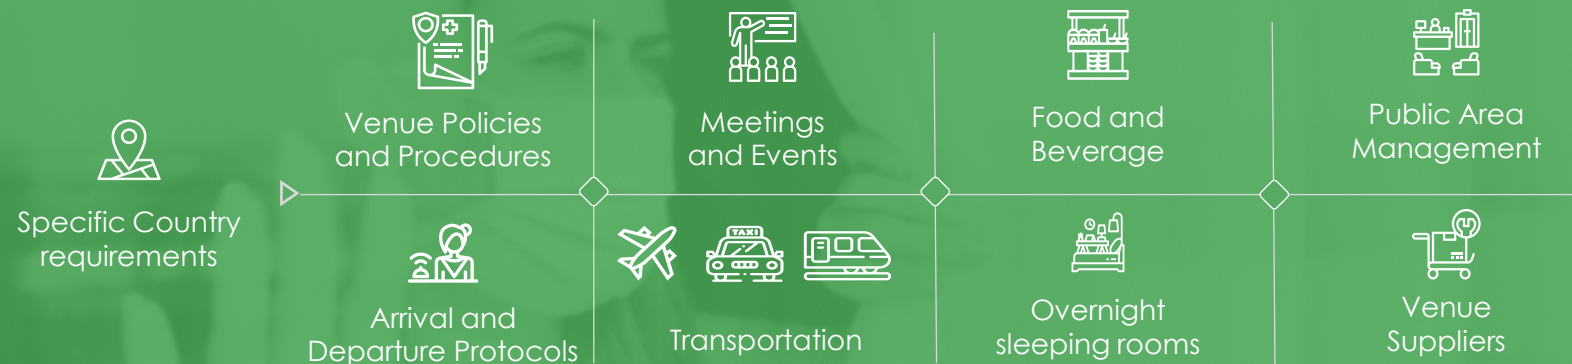

**Healthcare Venues;** established in 2012, is a market leading assessment solution for venues committed to servicing the needs of meetings and events. The solution currently comprises of over 1,400 venues or individuals that have progressed through our audit, assessment and training solutions. Each venue undertakes a rigorous assessment based on specific criteria such as; operational effectiveness, regulatory compliance, or the need to be COVID secure, with a reporting package available to meeting organisers and specialist 3<sup>rd</sup> parties such as event management companies.

## 80 Point COVID Secure Plan

To compliment our brand sanitisation programmes and other accreditations, the **Novotel London West** has completed the Healthcare Venues COVID Secure meeting assessment.

Designed for meeting stakeholders and 3<sup>rd</sup> parties to understand how a venue manages meetings and events within the COVID19 pandemic. The audit report answers detailed questions on a range of practical topics, crucial in creating meeting organiser and participant confidence.
